Quimipools

Quimpools

A stylized white seahorse logo is positioned at the end of the word "Quimpools". The seahorse is facing left, with its tail curled upwards and its mane visible along its back. It has a simple, clean design with a small eye and a curved snout.Four decorative white bubbles of varying sizes and a small four-pointed star are arranged above the letters "i", "m", and "p" of the word "Quimpools". The bubbles have a simple outline with a small dot inside, and the star is a small, simple four-pointed shape.

Quimpools

The word "Quimpools" is rendered in a bold, black, rounded serif typeface. Above the letter 'i', there is a small bubble. Above the letter 'm', there is a cluster of three bubbles of varying sizes and a small four-pointed star. To the right of the word, a stylized seahorse is depicted in black silhouette, facing left. The seahorse has a decorative, spiky mane along its back and a curved tail.

Quimpools

The word "Quimpools" is written in a white, rounded, sans-serif font. Above the letters "i", "m", and "p", there are several white-outlined bubbles of different sizes, some containing small dots. A small white star is positioned between the bubbles above the "m". To the right of the word, there is a stylized white seahorse with a blue outline and a blue tail.
